GROUP 230

AMENDMENT TO THE DRAWINGS

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

In the Office Action dated June 21, 1990, paragraph 19 set forth an objection to the drawings of the above-identified patent application. Specifically, FIG. 12 was objected to for the misspelling of the phrase "fore-aft". In FIGS. 14a, 14j, 14k and 24, the Office Action objected to the inconsistent abbreviation of the word "average". Accordingly, enclosed are copies of the drawing sheets containing FIGS. 12, 14a, 14j, 14k and 24, which have been marked in red to indicate the proposed changes to the drawings intended to overcome the foregoing objections. In FIG. 12, the spelling of the phrase "fore-aft" has been corrected. In FIGS. 14a, 14j, 14k and 24, the abbreviation of the word "average" has been changed from "ave." to "avg.".

Upon an indication from the Examiner that these proposed drawing changes are acceptable, applicant will provide new sheets of drawings that incorporate the proposed changes.

Signed at Chicago, in the County of Cook and State of Illinois this 21st day of December, 1990.

Respectfully submitted,

By John B. Conklin
